Works Out:

I preach a gospel meeting in the Port of Guaymas, Sonora Mx., in this date: 27 – 29 of this month of March. Friday I preach the sermon I name “Building to Resist Storms” (Matt.7:24-27) Saturday, “The Mission of Christ” Matt. 20:28). Sunday 29 this was the activity: At 8:00 am we were invited for breakfast, with Brother Fernando Silvestre because his wife is not Christian she attends to a few meetings, but not obey yet. At 10:00am we went to the building where the church meets, I began with a class about Deity of Christ, this was because a preacher who went there before me, he preach them that Jesus for 33 years was not God and misunderstand (Phil. 2:7). My goal was show them that Christ never leave that because this is His nature (Col. 2:9) Ended the class the worship began and I preach a sermon about the importance of be of “One Heart” (Acts 4:32) to keep unity for the church and can be edified and grow in all sense. Finished the worship we went to Brother Mauricio Dena House, and they share food and there was open a time for Bible questions and answers until 5:30 pm. At 6:00 pm. We went back to the building, to give Lord’s Supper for those whom work and cannot attend in the morning, the Subject was “The Baptism (yes) Save us” (I Peter 3:21) Ended the worship we went to a house of a sister whom is very ill, they ask me to give a short speech, and I give “The Anchor of the Soul” (Hebrews 6:13-20) After this we went to the house of brother Jesus Torres whom give us hospitality, there were some brethren awaiting for eat and continue asking Bible questions, we go to bed at one in the morning. For eight years I do not visit them and they ask why, the answer is very simple, there are so many places that need help to encourage them. The last years I have been helping Naco and Cananea. Guaymas haves own building and their membership is about 40. My wife travel with me and we enjoy of the love and partnership of the brethren At Guaymas Port.
